Advised it can be fully customised. This is for the Jo Jones project. 17/9/20 - Met with Suzanne for lunch and she explained that she is now director of Lynne Westwood and SoC. Stuart and Howard sold the company to Gavin a fellow South African last summer. Gavin has a furniture company in SA that they have opened here. They love but they are not happy with the LT, quality and lack of access check/site survey service. Manon had one large headboard that was delivered in one piece but it did not fit so they now have to take a balcony off and hire a crane. Mel heads up the hotel side but very quiet. Suzanne is super busy with interiors projects and Mr & Mrs Takher have just brought their 10th house so looking to completely re-furb in the next few months.	W4 5TT			UK Standard Output
